**Munchkin Tennis (Ages 5-7):** Children will work on basic athletic skills needed for tennis with a focus on developing agility, balance and coordination.

**Red Ballers (Ages 7-10):** Kids will learn and practice forehand and backhand skills and receive an introduction to serve and volley through a variety of racquet and ball activities. The goal of this class is for kids to develop the skills to rally with a partner at least 10 times.

**Orange Ballers (Ages 8-11):** Kids will learn basic rules and continue to work on rallying the ball with a partner. Focus will be on footwork and sending and receiving skills to help players develop consistency with forehand and backhand ground strokes. Players will learn and practice serve and volley through a variety of racquet and ball activities. Prerequisite: Ability to rally with a partner using red balls. (This is the former Tennis 101 class.)

**Green Ballers (Ages 9-12):** This class is for kids with prior sports experience who are getting ready to enter age appropriate competition. Players should be able to maintain a ground stroke rally over the net. Players will develop a more complete game with attention to the vol ley and serve. (This is the former Tennis 201 class.)

**Teen Tennis (Ages 13+):** For beginning-intermediate players considering playing on their high school tennis team. Players will improve strokes while learning basic singles and doubles strategy, scoring and rules.
