

Youth Summer Tennis Program

June 18 – Aug 3

No regular programming week of July 4

Learn or improve your tennis skills with Saint Paul Urban Tennis (SPUT)! We offer Tennis Lessons, Sampler Camps and Jr. Team Tennis competition for Saint Paul youth at 26 neighborhood sites. All instruction centers on the *Play First, then Play Better* philosophy. We use age appropriate equipment (racquets provided as needed) so that children are successful, and then teach them the skills needed to improve as players. In addition, we teach important life lessons for success off the court. We value and teach the SPUT SPIRIT – (S) service, (P) perseverance, (I) integrity, (R) responsibility, (I) imagination, and (T) teamwork. **New in 2018, we've created Hub (4 days/week) and Spoke (2 days/week) sites that offer options for busy families. To register for summer programs, visit www.urbantennis.org or call the St. Paul Urban Tennis office at 651-222-2879.**
