

# SPUTNIKS JTT TRYOUTS

**Think you are the best in Saint Paul? Try out to compete in one of our SPUTniks programs.**

Junior Team Tennis is an official USTA program to help JV and Varsity-level players improve their games on co-ed teams. Kids are placed on teams for practice and competition with others of similar ability. Teams are formed in the age of 18U, 14U, and 12U divisions. Tryouts are required for players interested in securing a spot on one of our advanced level traveling teams.
